The Compare of Synthetical Index of Moisture Conduction for Fabrics Made of Different Fibres

MODERN FIT FOR MENS, SLIM FIT FOR LADIES | 100% COOLDRY POLYESTER | 140 GSM

This range of basic cooldry polyester T-shirts is made from light and tightly knitted needle eye micro mesh fabric. It features the highest UPF rating of 50+ on all colours. It's ideal for use as training T-shirts for schools, clubs and sports teams. The light weight and moisture wicking fabric makes you feel extra comfortable while playing sports or doing any leisure activities in those hot days.

## P06

### Modern Fit Premium Pique Knit Polo

Size	XS	S	M	L	XL	XXL	3XL	5XL
Chest cm	47	50	53	56	59	62	65	71

**MODERN FIT | 65% POLYESTER, 35% COTTON | 230 GSM**

This range of standard polo shirts is designed to complement our ever popular premium pique knit polo shirt range. This is a modern fitted style compared to the regular style of P01 on page 50. The fabric used in this polo shirt range has gone back to more traditional diamond shape pique knit for the better feel and appearance of the fabric. More colours are expected to be added on soon.

For matching ladies' styles go to page 50 (P03) or page 42 (P23)

**Hi Vis Cooldry Polo**

Size	XS	S	M	L	XL	XXL	3XL	4XL	5XL
Chest cm	49	52	55	58	61	64	67	70	73

REGULAR FIT | 100% POLYESTER COOLDRY FABRIC | 165 GSM

This highly popular Hi Vis polo shirt is made from genuine yarn treated moisture wicking Cooldry fabric. The cost of yarn treated moisture wicking fabric is up to 50% more expensive than the chemically treated moisture wicking fabric or non treated polyester fabric that many of our competitors use. The yarn treated fabric can bring you true and long lasting moisture wicking effect wash after wash while chemically treated fabric can only last a few washes before the moisture wicking function disappears.

If you are looking for something different or new for your daily Hi Vis work wear this might be the one you will like. Fitted with fashionable and contemporary panels and lines this polo shirt has mixed fashion and work wear so well. It is made from genuine yarn treated moisture wicking Cooldry fabric which is up to 50% more expensive than the cheap chemically treated fabric that many of our competitors use. Only the yarn treated Cooldry fabric can keep long lasting moisture wicking function wash after wash. This polo shirt will not only make you look great but also keep you cool and dry all day long and all year long.

**FEATURES:**

- Genuine breathable yarn treated Cooldry fabric
- Faster moisture wicking and drying
- Single large pocket with button to secure your stuff
- Comply with Australian Safety Garment Standard AS/NZS 4602:1999
- Class D, for Day Use Only
- UPF Rating: 50+. Protection Category: Excellent

Ladies Size	6	8	10	12	14	16	18	20	22
Collar cm	37	38	39	40	41	42	43	44	45
Chest cm	46.5	49	52	55	58	61	64	67	70

**REGULAR FIT | 65% POLYESTER 35% COTTON | 110 GSM**

A popular item in the Blue Whale shirt range. These days there is a great variety of woven poly/cotton fabric to choose from to make business shirts. The quality of the shirts can thus be vastly different. The Blue Whale business shirts only use top grade combed 45s poly/cotton yarn. The construction of fabric is a very fine 133x72 T/C. The shirts need little ironing and are very easy to care.

## CO1 LONG SLEEVE/CO2 SHORT SLEEVE Traditional Chambray Shirt

Size	XS	S	M	L	XL	XXL	3XL	5XL
Collar cm	37	38	40	42	44	46	48	52
Chest cm	52	55	58	61.5	65	68.5	72	80

REGULAR FIT | 100% COTTON | 130 GSM

This traditional chambray shirt is one of long-standing core products of Blue Whale apparel range. Since first introduced in 1994, eighteen years of consistent quality control has made Blue Whale chambray shirt a trusted and recognised brand in the industry. Blue Whale chambray shirts use fully combed cotton and have been treated by various advanced technique including wrinkle-resistance and pre-shrunk processes so they have minimum shrinkage and are easy to iron. They are even softer and more comfortable to wear after many washes.

This Mini-Waffle knit polo shirt is made from 100% genuine yarn treated moisture management fibres, one of the best from Coolfast, a leading hi-tech sports textile brand in the world whose major clients include Nike and Adidas. The thoughtful design of contrast panels across the sides and a fine panel on top of shoulder, not too simple, not too complicated, gives the polo shirt great sporty look at all angles from front, side and back. The softness of texture combined with its modern fit to the body brings you that extra comfort and confidence you need while playing the sports or enjoying your weekend with friends. For either performance or style this polo shirt is surely your first choice for your next upgrading of sports polos.

REGULAR FIT | 100% COTTON | 200 GSM

Year after year, this premium pre-shrunk cotton T-shirt continues to be loved by our customers. Not only because it's good when it's new, but because it's still good and it stays the shape wash after wash. To ensure the quality of this great T-shirt stands out of crowds we use premium air jet spun cotton yarn knitted by advanced large scale knitting machine and processed by a pre-shrunk procedure. Blue Whale T-shirts and other cotton clothing have better than 3% shrinkage and have little twist after washing. They have also been UV tested and have higher UPF ratings complying with AS/NZS 4399:1996.

**AO1 SHORT WAIST/AO2 LONG WAIST  
AO3 BIB APRONS**

**Apron**

65% POLYESTER 35% COTTON | 240 GSM

Aprons has become a bigger and bigger item in this industry due to booming café and restaurant business. To be in the fashion trend of the industry we have added eight very fashionable and bright colours into our apron range this year. Therefore the Blue Whale aprons are now in 14 great colours and all in three standard hospitality industry sizes. The fabric used in this apron range has also been improved. They are now made from heavy weight 240gsm poly cotton drill, very durable and no or little need to iron. Each style has a pouch pocket of 30(W)×20 (H)cm including a pen section. The pocket has a wide opening allowing large embroideries to be fitted in easily.

## All LONG HANDLE A12 SHORT HANDLE Calico Bag

100% COTTON | 140 GSM

The Blue Whale calico bags are made from traditional 100% natural cotton and are environment friendly products. They are available in two sizes, one with long handle and the other with short handle. They can be used in a variety of places such as libraries, shopping centres, any type of shows, events, etc.

A11 Long Handle 68cm  
37 (W) x 42 (H) cm

A12 Short Handle 37cm  
37 (W) x 48 (H) cm

## A81 Knee Pads

These knee pads are made from soft and flexible Ethylene-Vinyl Acetate which has no harm to the skin. They provide more protection than those made from cotton canvas due to its strong but soft material. The knee pads are designed to fit our Action Trousers W85 (see page 27). The knee pockets of Action Trousers will fully cover the knee pads so the knee pads do not directly contact the skin. They may fit trousers of other brands or our future work trousers as well. The length of pads can be cut short to suit knee height. The knee pads are sold in pairs.

**One Size Fits All**

16.5 cm (W) x 21.5 cm (H)

**1 Colour** Black (suitable for trousers of all colour)

## A82 Cotton Boot Cover

Made from 190gsm cotton drill these boots cover are necessary to protect you working in dusty environment. Try them. You will like it. The covers are sold in pairs.
